PREFACE.

The following points may be of interest to Subscribers :—

1.—Instituted in 1774 for the Medical and Surgical relief of the sick poor.

2.—Under Royal Patronage almost from its foundation. In 1839 the Secretary wrote to Queen Victoria for assistance in repairing the premises and Her Majesty responded with a generous donation of £50. Her Majesty was also instrumental in obtaining the patronage of H.M. the King of the French (Louis Philippe) in 1844.

3.—The oldest Dispensary save one in the metropolis.

4.—Unendowed and entirely dependent upon voluntary contributions.

5.—Unrestricted as to the locality whence the patients are admitted.

6.—The Parent Institution of the St. George's and St. James's Dispensary, which was an off-shoot of the Westminster General Dispensary in 1845, returning to the fold on January 1st, 1907.

7.—Representing the Out-patient department of the Hospitals, it also affords, especially to the aged and infirm, and to women and their little children, the inestimable advantage of the home visits of the Resident Medical Officer.

8.—Supported by the Corporation of London, several of the City Liveried Companies, the Hospital Sunday Fund, the Hospital Saturday Fund, and "Alexandra Day" Fund.

It is said that the premises of the Dispensary were originally known as the "Turk's Head," much frequented by Dr. Samuel Johnson during the last ten years of his life ; and his chair is still used by the Chairman of this Institution.

FORM OF BEQUEST.

To those who may please to become benefactors by Will
the following form of a Legacy is recommended :—

*“ Also I give and bequeath unto A. B. and C. D. the sum
“ of free of legacy duty in
“ trust to pay the same to the Treasurer for the time being
“ of THE WESTMINSTER GENERAL DISPENSARY in Gerrard
“ Street, in the Parish of St. Anne, Soho, Westminster,
“ in the County of Middlesex, instituted in the year 1774,
“ which said sum I charge upon my personal Estate, and
“ desire the same may be applied to the benevolent
“ purposes of that Institution.”*

Note.—The Westminster General Dispensary is empowered by Act of Parliament to receive gifts by Will of Land and Buildings.

Westminster General Dispensary.

REPORT OF THE COMMITTEE
TO THE GOVERNORS & SUBSCRIBERS.

One Hundred and Sixty-Seventh Annual Report.

It is not necessary to dwell at length on the savage attacks which characterised the air-warfare towards the latter part of 1940, and which still continue. Suffice it to say that the already greater importance of all medical services, including those provided by the Westminster General Dispensary, has been greatly enhanced.

The Committee of Management therefore feel considerable pride in that the Dispensary is performing such gallant work "in the front line."

The bombing has had its inevitable effect of reducing, still further, the number of patients by virtue of evacuation from the district.

Nevertheless, the work of the Dispensary goes on, and will go on, for the benefit of those poor and aged persons who have come to depend, so fully, on its services.

The Committee desire to draw attention to the fact that the scope of the Institution is a large one, composed of the Parishes of St. Anne, Soho, St. Martin-in-the-Fields, St. Giles, and St. James's, but patients are treated from all parts of the Metropolis, without restriction, and this fact alone encourages the Committee to appeal to the general public, as distinct from local employers of labour, for hearty and liberal support.

The Dispensary is still open on Tuesday evenings at 8 p.m. in spite of the black-out, for the admission of working-men who cannot conveniently attend in the day-time, and special facilities are provided for the treatment of Dental cases on Thursdays, at noon.

The Committee of Management regrets to have to record the death, during the year, of Captain Sir Sidney Herbert, M.P., and Canon Pat McCormick.

The Board desire to express their appreciation of the valued services which the Honorary Medical and Surgical Staff so ungrudgingly render the Charity; and to their House Surgeon, Dr. T. I. Hughes who, this year, was re-elected for a further term of twelve months.

The Nurses of the Metropolitan District Nursing Association have, as in previous years, rendered efficient and much appreciated services to the Dispensary.

The Committee also expresses its grateful thanks to Miss D. M. Hulbert for her untiring energies as House Visitor during the last six years.

The best thanks are accorded to the various Cinematograph Companies for the benefit received from the Sunday openings, and the receipts from this source amounted to £85 11s. 2d.

The cellars of the Dispensary are now available, day and night, as an air-raid shelter, the caretaker being the Marshal in charge.

The Committee have to report that on two occasions the blast of exploding bombs has damaged the Dispensary building. While still habitable and fully capable of fulfilling its functions, the building needs some £200 to be spent on urgent repair work.

It is inevitable that the increased rate of Income Tax will adversely affect the total of the list of Donors and Subscribers, and the Committee earnestly hope that the list may be extended so that the total, at the end of the year ahead, may compare favourably with that of the year just passed.

In concluding their Report of a year's satisfactory work, the Committee desire to extend their sincere thanks to all those who have contributed towards the support of the Charity; and would call subscribers' attention to the Deed of Covenant, at the end of the Report, which enables the Charity to benefit to the extent of a further 15s. 6d. on each guinea subscription.

Subscriptions and Donations will be thankfully received by the Treasurer, Mr. W. Neate, 8, Gerrard Street, W.1, Barclays Bank, Ltd., 1, Pall Mall East, S.W.1, and the Secretary at the Dispensary.

A Form of Bequest will be found on page 4, and a Banker's Order, inside front cover, the use of which facilitates the payment of Annual Subscriptions.
